/ AGENDA

WEDNESDAY, JULY 12

Time	Topic
08:30 - 09:00 AM	Registration
09:00 - 09:15 AM	Opening & Welcome
	Unlocking Potential : Harnessing Simulation for Enhanced Performance in the Oil Field
09:15 - 09:30 AM	Sustainability & Energy transition
09:30 - 10:10 AM	Using Simulations to uncover the energy production
10:10 - 10:30 AM	Ansys Digital Safety and Reliability for Oil & Gas and Process Industry
10:30 - 11:00 PM	Networking Break
	Simulation-Based Innovations in the Constructions
11:00 - 11:20 PM	Unleashing the power of Ansys CFD for HVAC in Constructions
11:20 - 11:40 PM	Enhancement of Structural Integrity for Smart Buildings
11:40 - 12:00 PM	Making smarter product design decisions with real-time simulation: Ansys Discovery
12:00 - 12:20 PM	Ansys in Academia
12:20 - 12:30 PM	Closing
12:30 - 02:30 PM	Lunch
